

Live Caption in Google Chrome

Google chrome has a helpful feature to support any hearing impaired person relying on technology because of covid. It is very simple to turn on. Please follow the steps below.

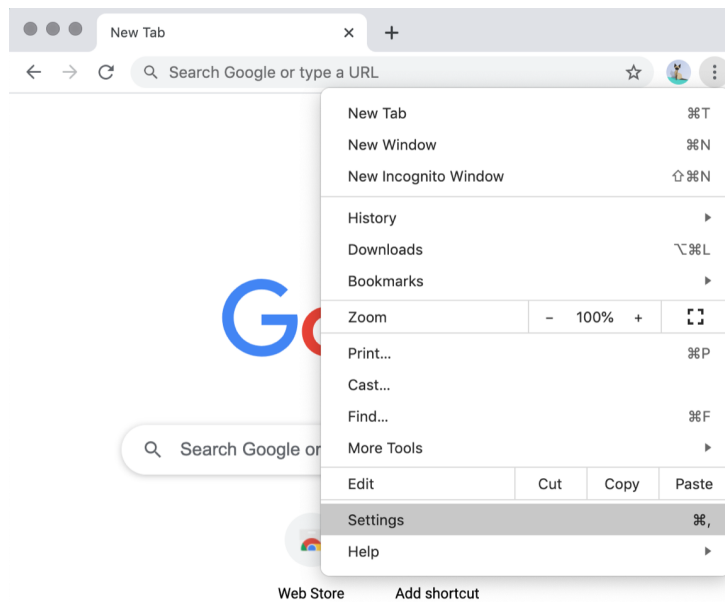

1. Make sure you are in google chrome.

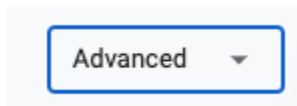

2. In Google, locate the three dots on the top right corner of your browser.

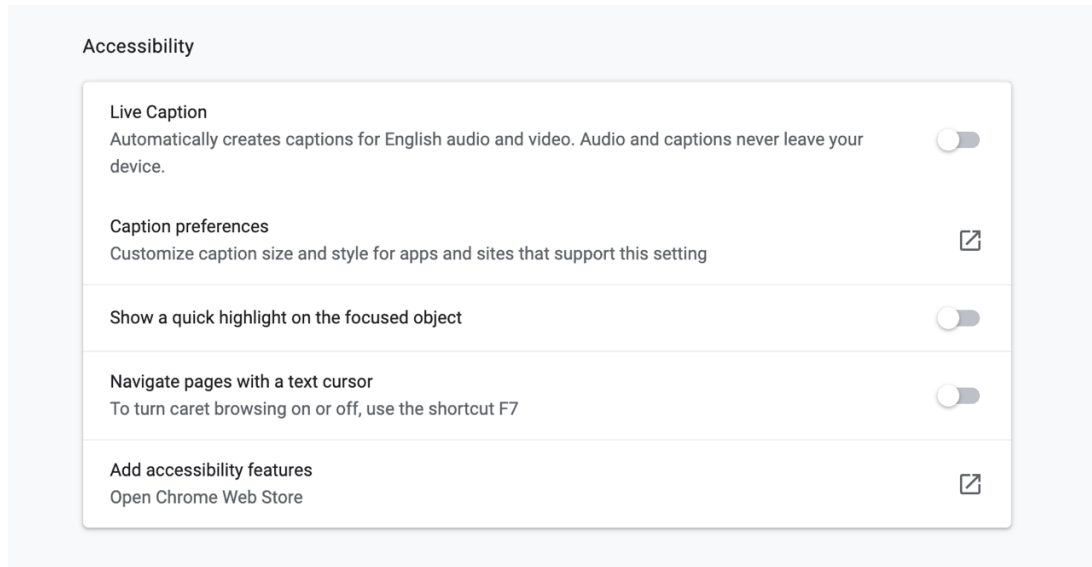

3. Click on **Settings**.

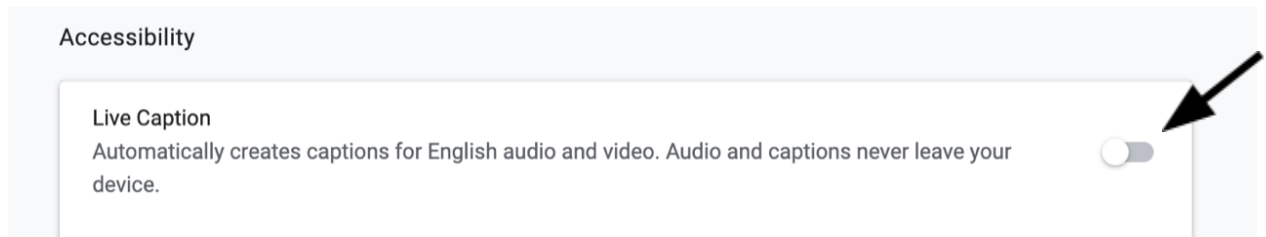

4. Scroll all the way down to the bottom and click on the **advanced** arrow location.

5. Go to the section entitled **Accessibility**.

6. Turn on **Live Caption**.
